

Duro Felguera, S.A. ("**Duro Felguera**"), in compliance with what is set forth in clause 227 of the Amended Securities Market Law, hereby publishes the following

FURTHER RELEVANT INFORMATION

Duro Felguera hereby announces a new organization in order to comply with the Viability Plan approved by the Solvency Support Fund for Strategic Companies ("FASEE" in Spanish).

This new organization is based on five different business divisions (Conventional Energy, Industrial Plants, Services, Renewable Energies and Smart Systems), thus enhancing specialization and project orientation in both traditional and innovative businesses, such as renewable energies, energy storage, hydrogen and smart systems.

The new organization, which combines the incorporation of new managers under internal promotion, will enable the company to strengthen its client focus and the profitability of its projects in order to reach the goals set by the company.
