

Duro Felguera, S.A. ("Duro Felguera"), in compliance with what is set forth in clause 227 of the Amended Text of the Spanish Securities Market Law, hereby publishes the following

#### **FURTHER RELEVANT INFORMATION**

In relation to the project "Construction of a combined cycle plant of up to 430 MW located in Iernut (Romania)", which Duro Felguera is carrying out in consortium with S.C. Romelectro S.A. (Duro Felguera 70% and Romelectro 30%, hereinafter the "consortium"), the Company informs, as a continuation of the communications made on 24th April and 8th May, that ROMGAZ and the consortium have formalised a new agreement, whereby the suspension of their respective legal actions is maintained for an additional period of 15 days, in order to reach an amicable solution that allows for the continuation of the project.
