

Duro Felguera, S.A., in fulfilment of what is set forth in clause 227 of the Amended Securities Market Law, hereby announces the following

SIGNIFICANT INFORMATION

Duro Felguera might request the benefits of support measures for strategic companies

The Board of Directors of Duro Felguera is looking into the possibility of requesting the special support measures for strategic companies that the government has set up.

The Board, together with the company's advisors, is analysing the diverse alternatives and holding conversations with all the parties involved.

The company does not plan on sending any further notifications until the evaluation process has been completed, and any possible application made.
